**Slope Angle:** 22°  
**Wind Loading:** no

**Stability:**  
**Air Temperature:** 5°C  
**Sky Cover:** SCT  
**Precipitation:** NO  
**Wind:** SE Calm

**HS:**90  
**PF:**40 59-42cm:Problematic layer

**Notes:** Snowmobiled back to Mosquito Lake to find a low angle zone to pow surf and check the snowpack.

Experienced one whump while snowshoeing up the ridge to the pit location.

\*First pit on my own - looks like I missed about 15cm in my layer measurements somewhere. Also did not have a thermometer.
